

# Post 2024 Election Evaluation

Why most Americans chose to step backward into the

*The Road Well Trodden*

*(A reference to Robert Frost's – The Road Not Taken)*

# A Query from Janaia about this topic:

- **Question:** By “turned politically backward”, are you saying that re-electing Trump is a step backward for the country, and perhaps a step backward in [human] consciousness? Like a regression rather than a progression in the Mature Soul age? **(Please account for your “blue bias.” i.e. My opinion)**
- **Response:** Imagine, walking toward your destination but doing so backwards, not looking where you are going only where you have been. Falling into potholes you don't see, because you are faced in the opposite direction. That is the metaphor they gave me to describe how this country has “turned politically backward”. In making that choice, many have abdicated future conscious choices to be subordinate to larger "group" choices they've acceded to.

# Tonight's Presentation – Along two main themes

## Soul-Ciology = Metaphysical Overview

### Essences Coalescing Into a Global Mind Set

Soul Age as manifested in the Election – 6<sup>th</sup> Young Process for the next 25 years.

Greed and fear of lack and Arrogance fear of Inferiority (being vulnerable and loss of esteem ran the show). The Planet is establishing a new equilibrium. Shed souls.

American Leadership in Democracy will decline. A Neg Pole aspect of Mature Soul, called Consolidation from capitulation. Souls will leave the planet who do not.

Aspects in the overall media presentation is Heroic Strongman energy. A form of Rescuer for the Victim. Young to Mature energy is fraught with conflicts.

## Sociology - Material World Dynamics

### Personalities Interacting in Group and Collectives

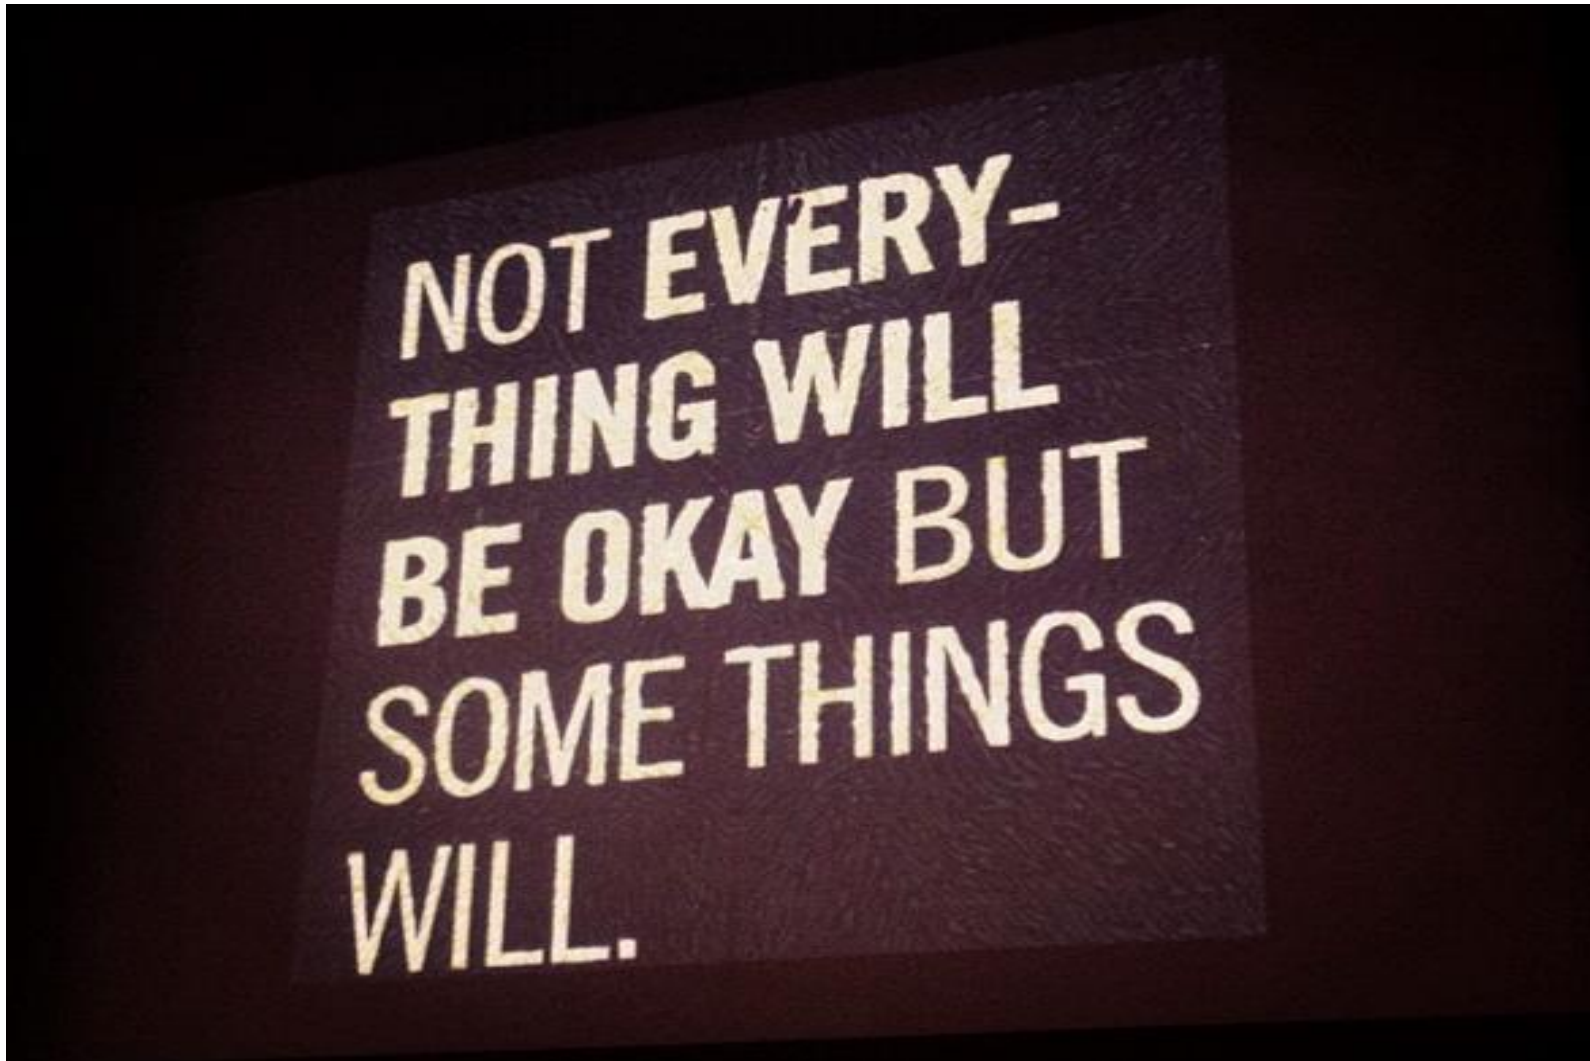

Collective Social Attitude – “Everyone for themselves.” Even Mature/Old Souls have more ego survival fears.

Political and Economics maintained the hierarchy and privilege so valued by the Young Soul Acquisition Model.

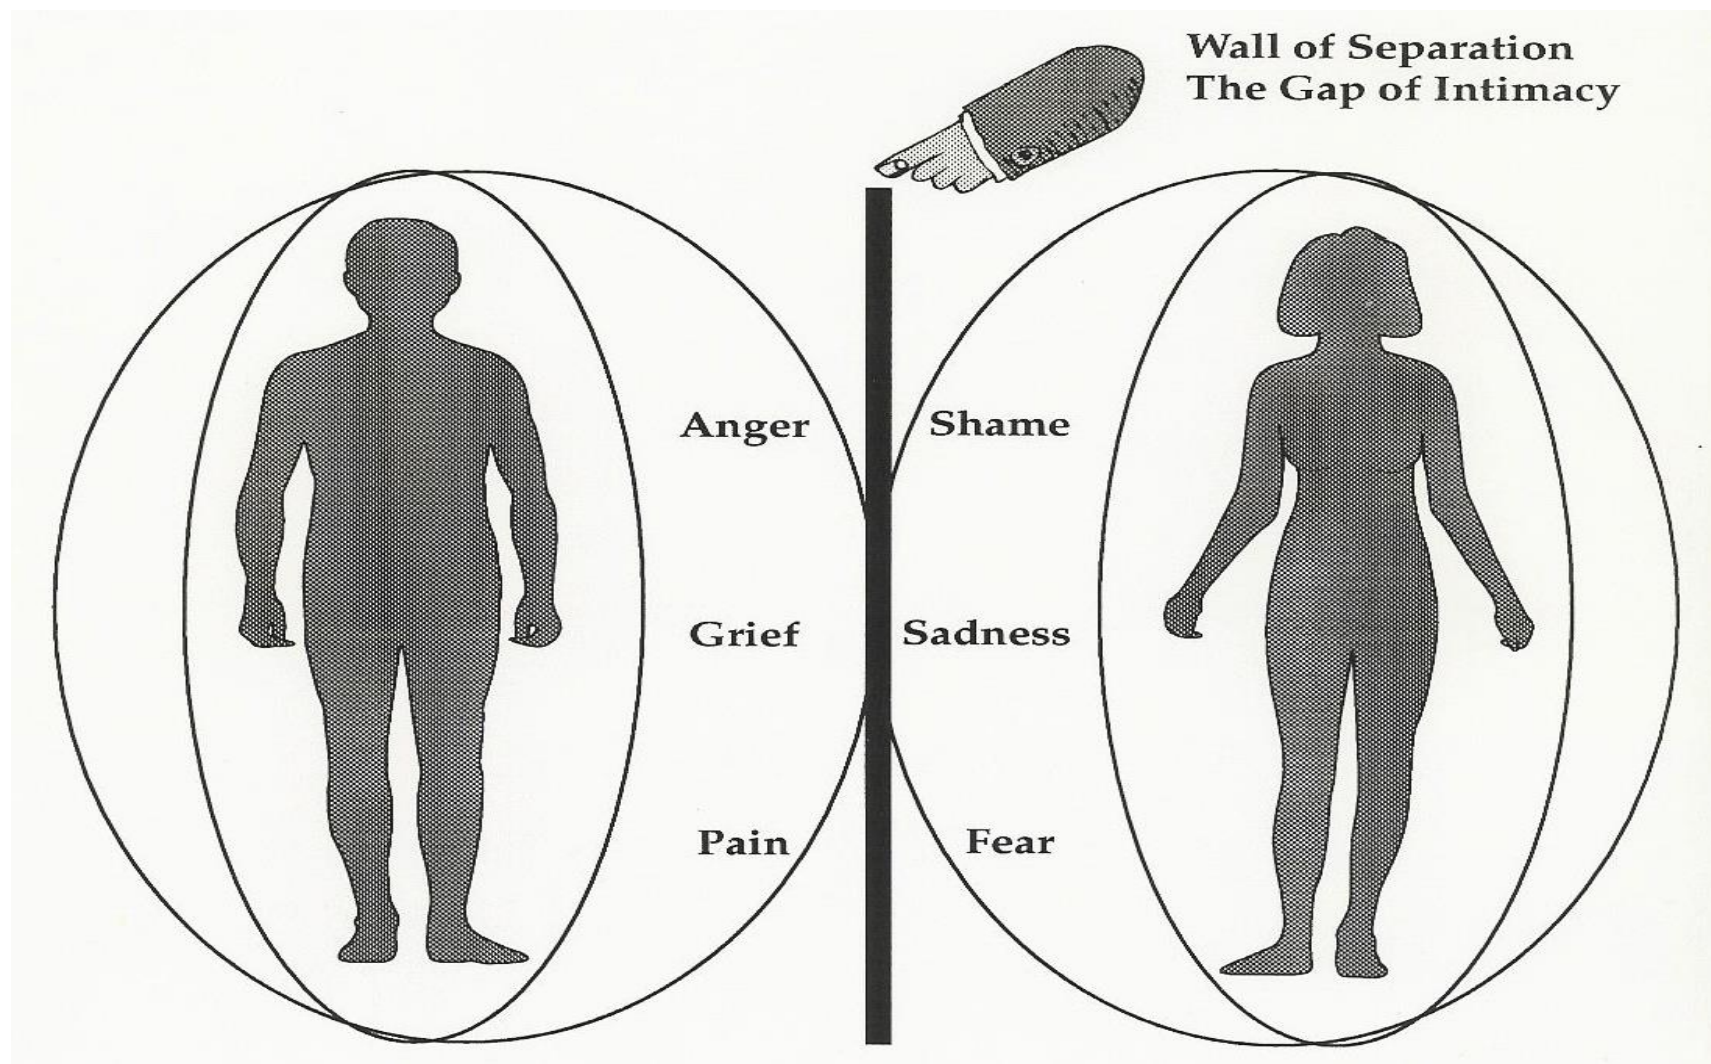

This intersects with the Neg Pole Mindset of the Young Soul mentality called Adventurism and Baby Soul orientation of obedience and subservience.

**Minimizing, Normalizing, Contextless – i.e. reporting statements as facts instead of checking the facts of a statement for intellectual substance and internal logic. All this has been termed “Sanewashing.”**

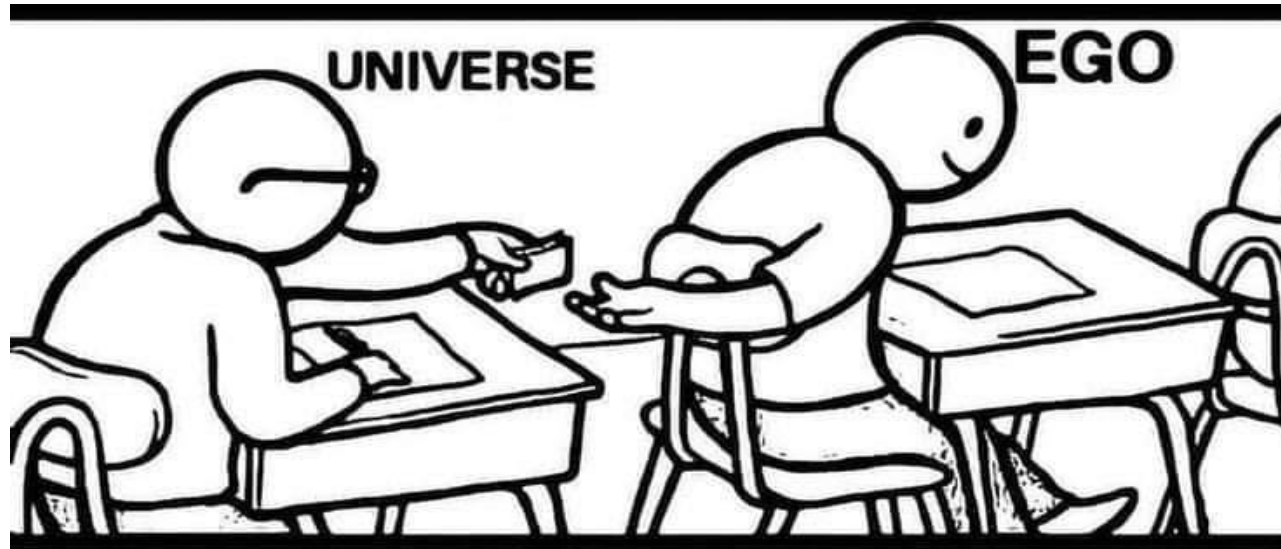

**Human Fear/Emotion MAYA is at an All-time High!**

# People are Full! The spiritual source of polarization.

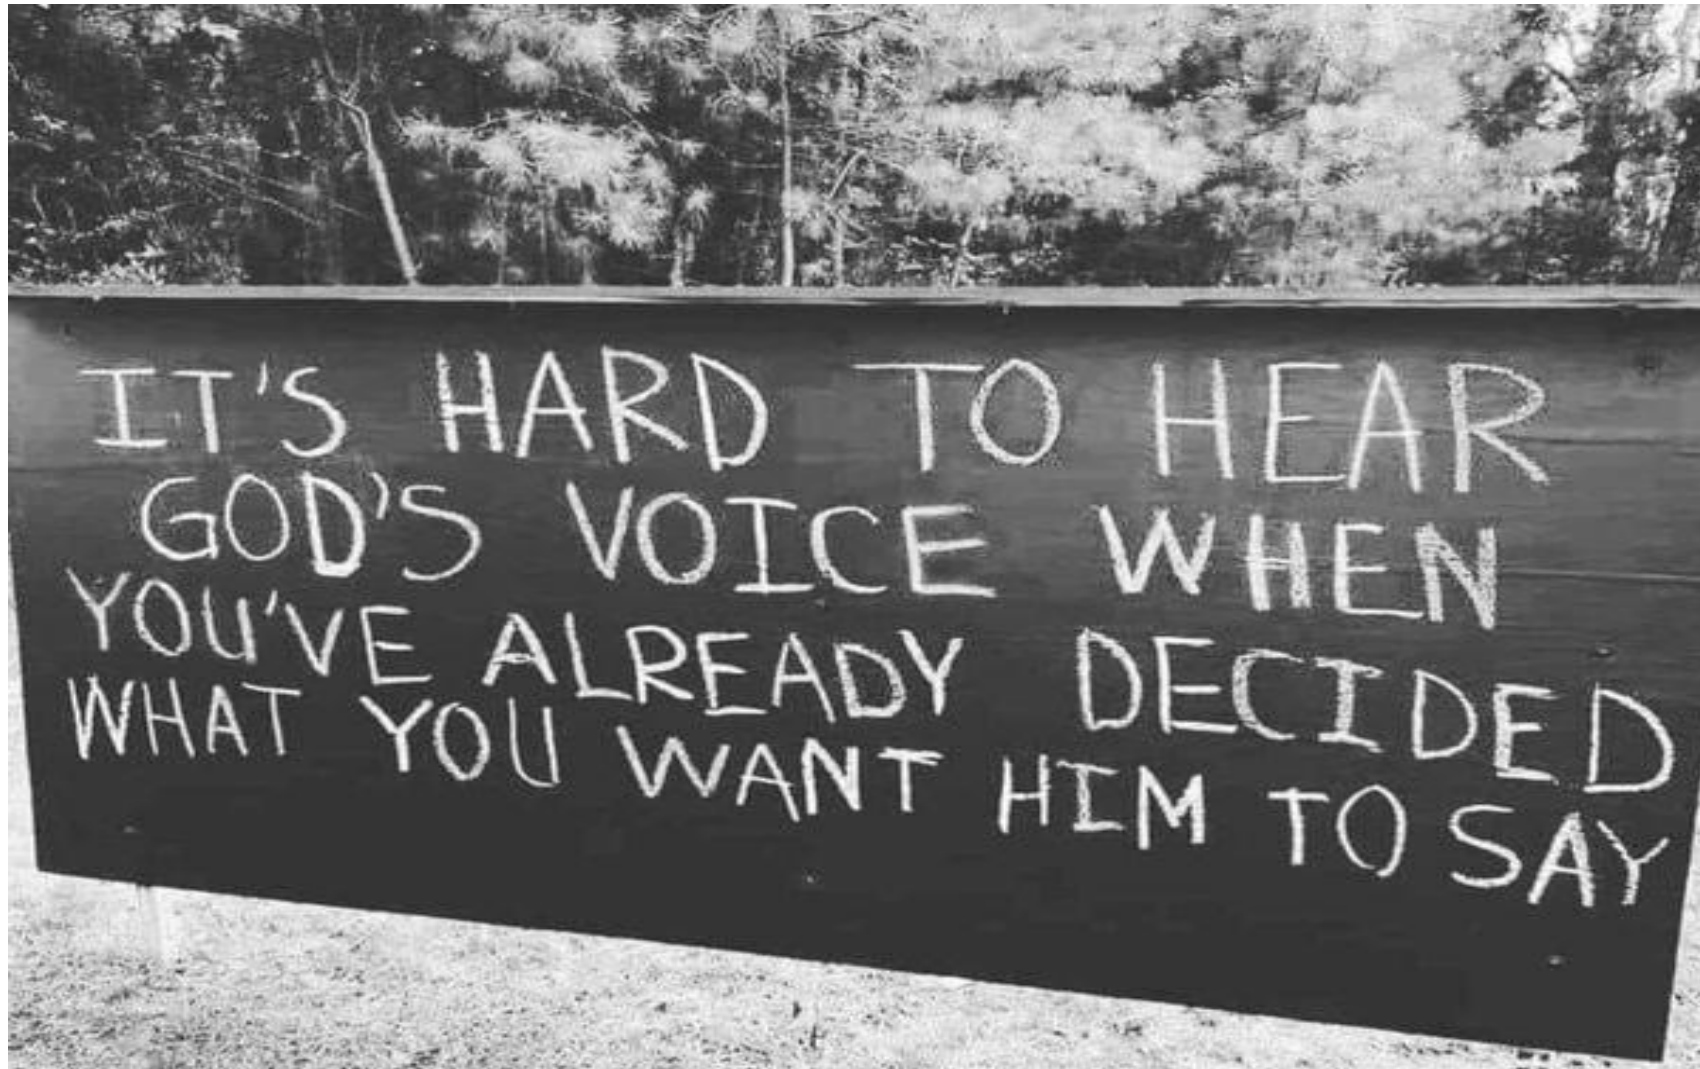

Not easy nor simple!

The EGO hates uncertainty!

Evolution happens even when you cannot predict nor shape it.

# The Self-Fulfilling Narrative from Ego to TAO

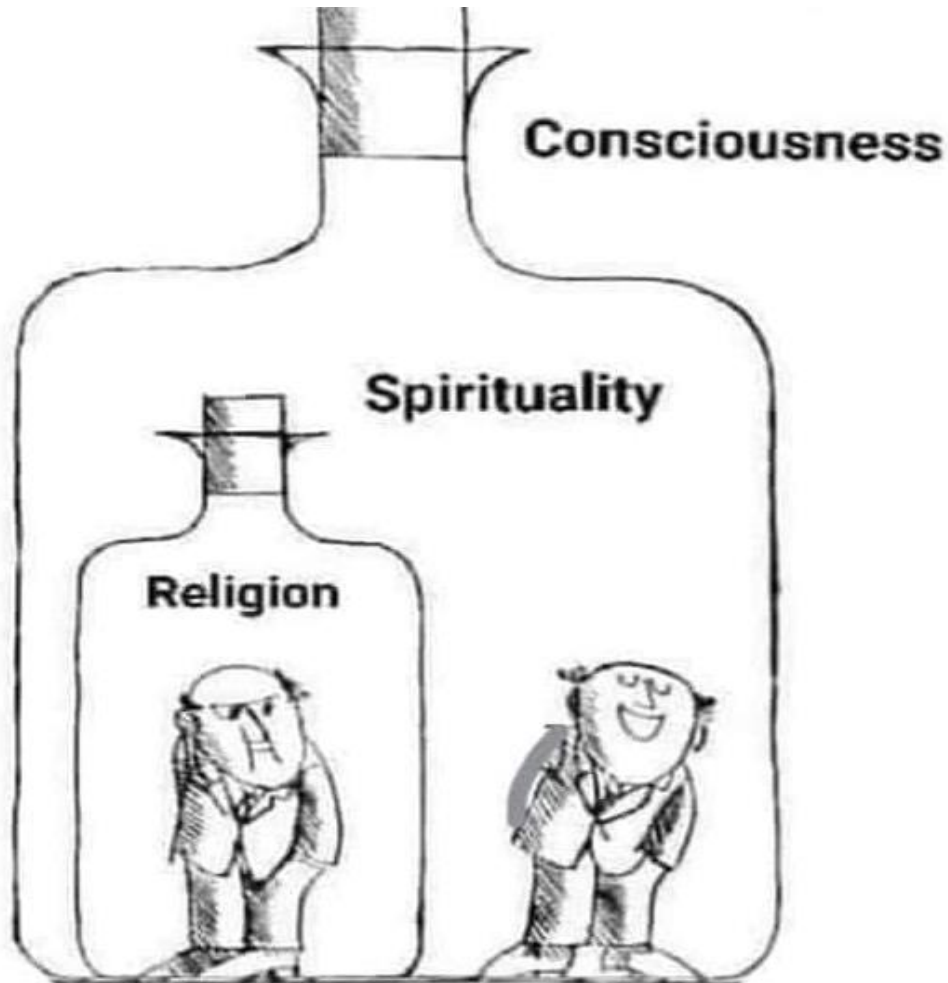

**Essence can't "save you". Personality has agency.**

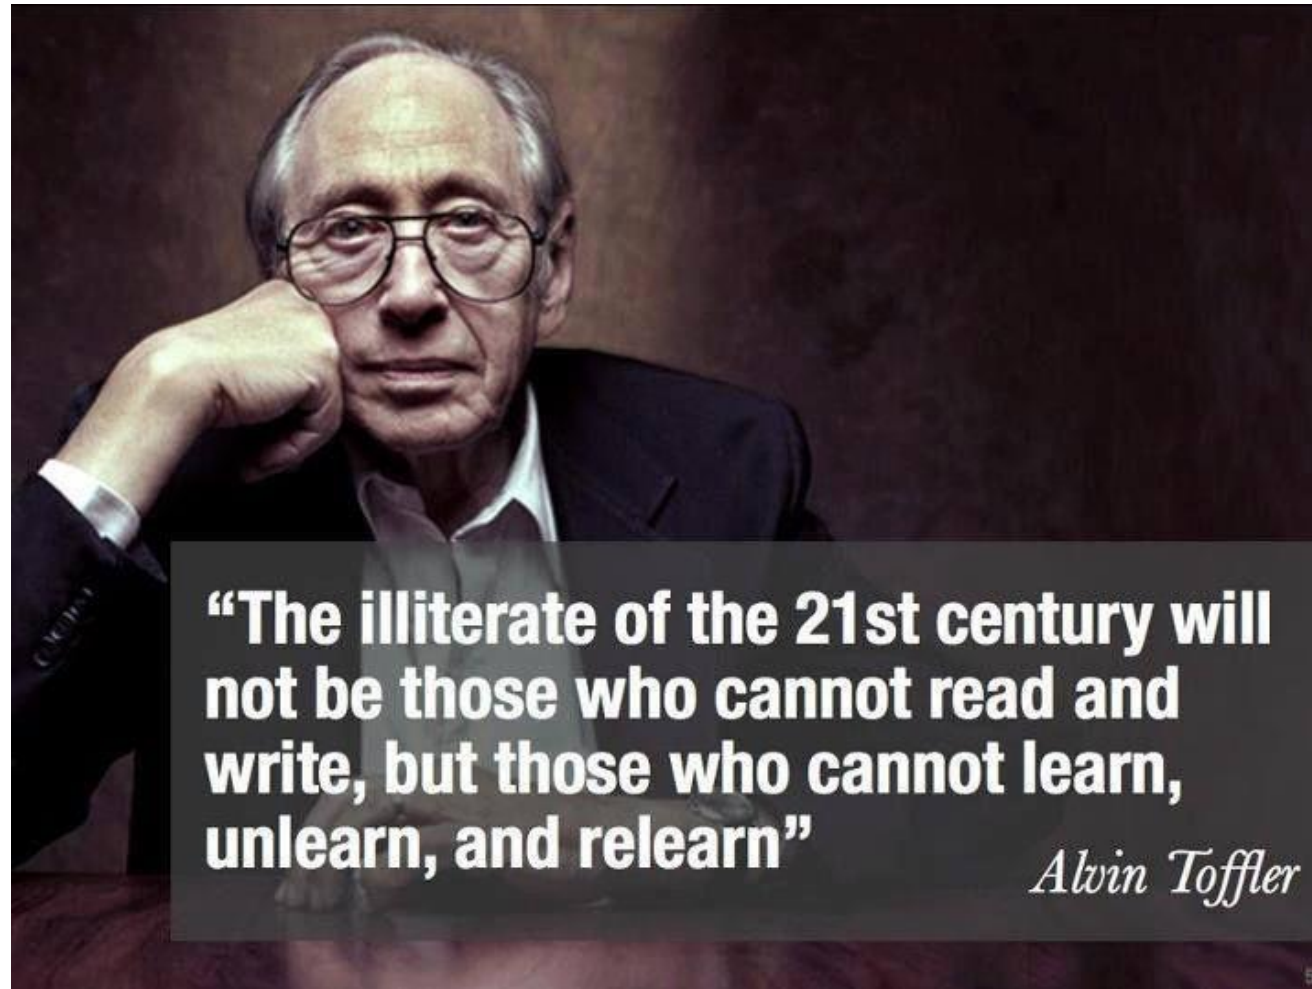

# The TAO is the Combination of, and morphing of, ALL Soul Age Mindsets

- **TAO = Consciousness** = All of it!
- **Spirituality** is an acknowledgment that forces larger than you can know, are operating but you still have potent influence in your choices, *but not the resulting consequences of them.*
- **Religion** is the socialized version of spiritual feeling. *But it is a narrative granting permission to act and have a higher power to forgive transgressions.*

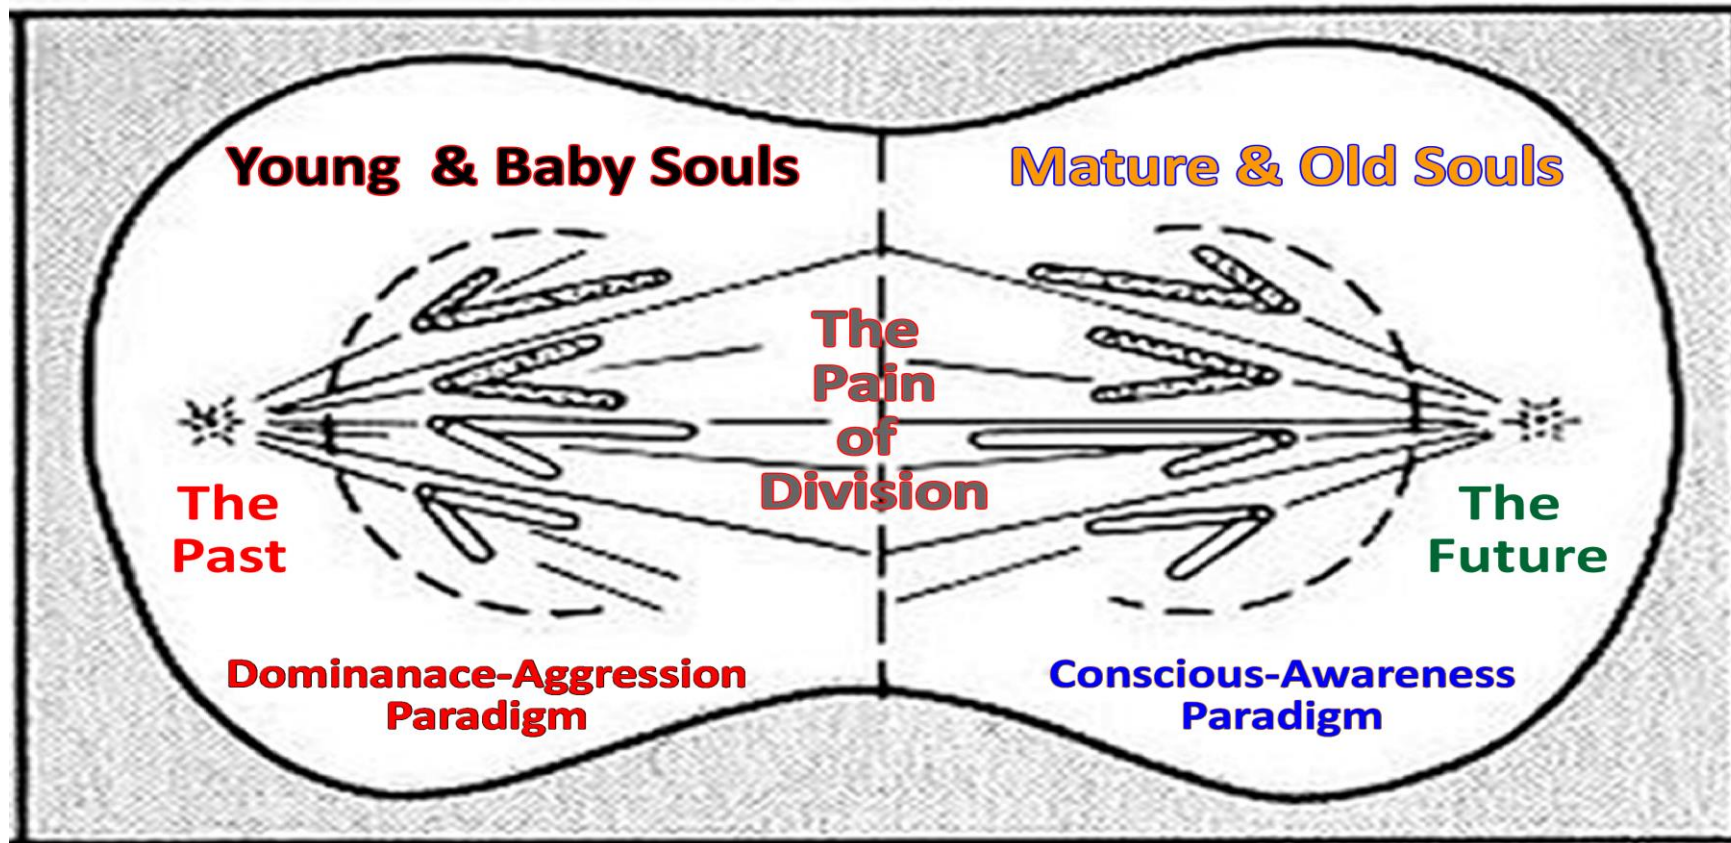

# Evolution through Adaptation: Social and Soul Age

**“The illiterate of the 21st century will not be those who cannot read and write, but those who cannot learn, unlearn, and relearn”**

*Alvin Toffler*

# Paradigm Shift from Baby/Young to Mature/Old

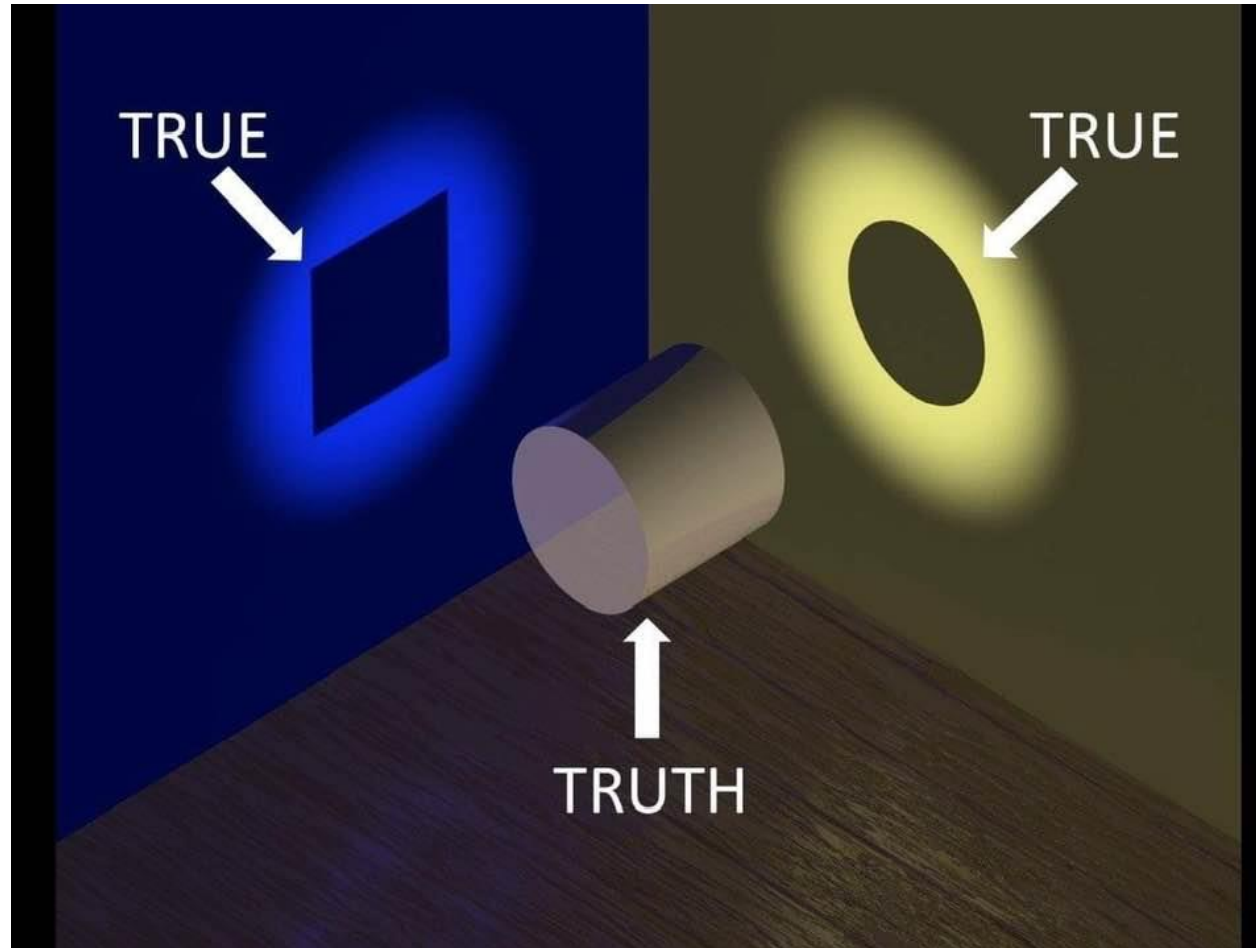

Everything is in flux. A Period of *Uncertainty*. *A collectively choice has been made for next 25 years!*  
Cultural Context and understanding have change greatly. Compassion and Determination = Defiance!

# This is what Happened. Both Truths are True!

49%

51%

# **Main Takeaway's of 2024**

- Fragmentation of the Electorate – Decreasing Power to Resist
- Isolating America from Democratic Principles (Mature Soul Ideals)
- Giving permission for Totalitarianism to Proceed (Young Soul Return)
- Showed that “positivity” is not seen as *serious* but invalidating of people’s fears about safety. It distracted. Garbage truck, McDonalds
- Resort to “sure thing” prejudices: sexism, racial bigotry, and macho
- Increase the state of fear running the world
- Radical disruption of Trust:
  - Of Each Other (making people more leery of each other)
  - Of the 49% Trust in themselves (second guessing, self-censoring, and uncertain future)
  - Disbelief of personal and economical insecurity. “*What’s going to happen to me?*”
  - In institutions and governments that will facilitate the excuse to privatize.

## **Voting Fell between Soul Age “beliefs”, not persons.**

- Many of the voters who stayed home did so out of despair, or detachment, from the society they live in.  
**(Mature Soul alienation)**
- Many Americans who have felt left behind by progress, worried about being at the bottom of the hierarchy. *They’d rather have a dictator to keep the “status quo” and repress those trying to gain equal rights. Even many old souls did.*
- The great dysphoria in this Soul Age shift, is the inability to adjust one’s thinking out of simplistic BINARY of EITHER/OR and into Complexity of Multiple Choice AND/ALSO.

# **The United States is *STILL* a Young Soul Society!**

- *Young Souls are driven to advantages bestowed by \$\$\$ and power.*
- Much of Europe is mostly Mature Soul. Scandinavia is Old Soul.
- Russia has Young Soul leadership with Baby and Mature citizens.
- China is Young Soul, but many of its citizens are now Mature.
- India's Leadership is Young Soul, many citizens are Mature/Old.
- Australia, Canada, Mexico are Mature. Africa is Baby & Mature.
- Brazil, Argentina, Venezuela, Chile and Peru have Mature Souls.
- *(Most Souls on Earth still struggle to survive! Baby Soul structure)*

# **Young Soul is an Individualist Model – All Ages Do it!**

**Money has replaced God as the #1 influence for measuring: “what is important?” It can *Buy* Justice!**

# **How Democrats and “the Left” failed to defend the hurt and aggrieved. Then they became the problem.**

- When the New Age rose up with Reaganism, the doctrine of Self Responsibility (in actuality – you are to blame for whatever happens to you) took effect hardest on working class and beleaguered peoples.
- Religionists and bigots, of all stripes, used it to lay every problem systemically created at the feet of individuals.
- Liberal people, Mature and Old Souls, pursued “individualistic” agendas with as much Greed as many Conservative Neo-Liberals.

## **Masculine Energy is *NOT* males, but Hierarchy**

"Patriarchy is not men. Patriarchy is a system in which both women and men participate. It privileges, inter alia, the interests of boys and men over the bodily integrity, autonomy, and dignity of girls and women. It is subtle, insidious, and never more dangerous than when women passionately deny that they themselves are engaging in it."

- Ashley Judd

## **Primary Trump Voter:**

*The broken-hearted surplus male...*

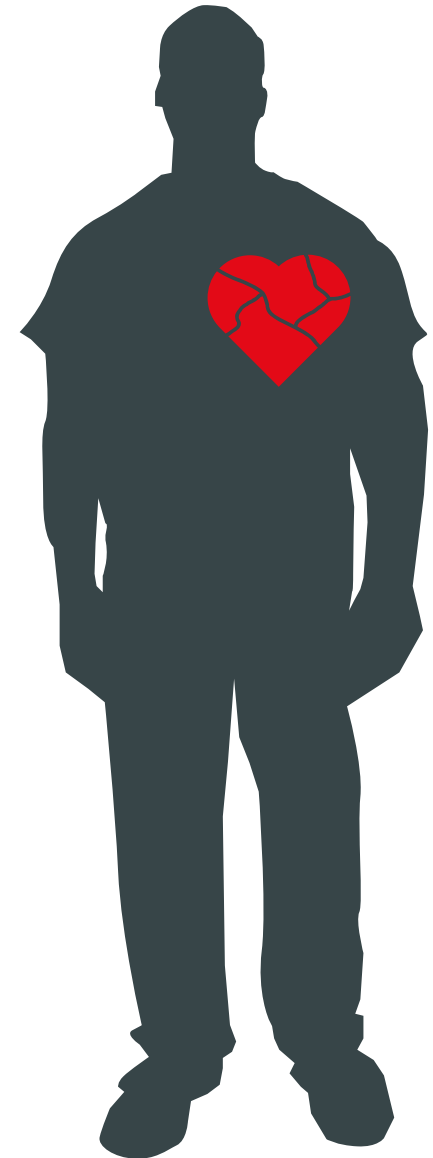

**Unwanted** (InCels and Older Men)

**Unheard** (Feels forgotten by Dems)

**Under-skilled** (Not able to adapt)

**Under-paid** (Good jobs have left US)

*...feels alienated and has hurt feelings  
manipulated into hate. They related to  
Trumps swearing and scapegoating.*

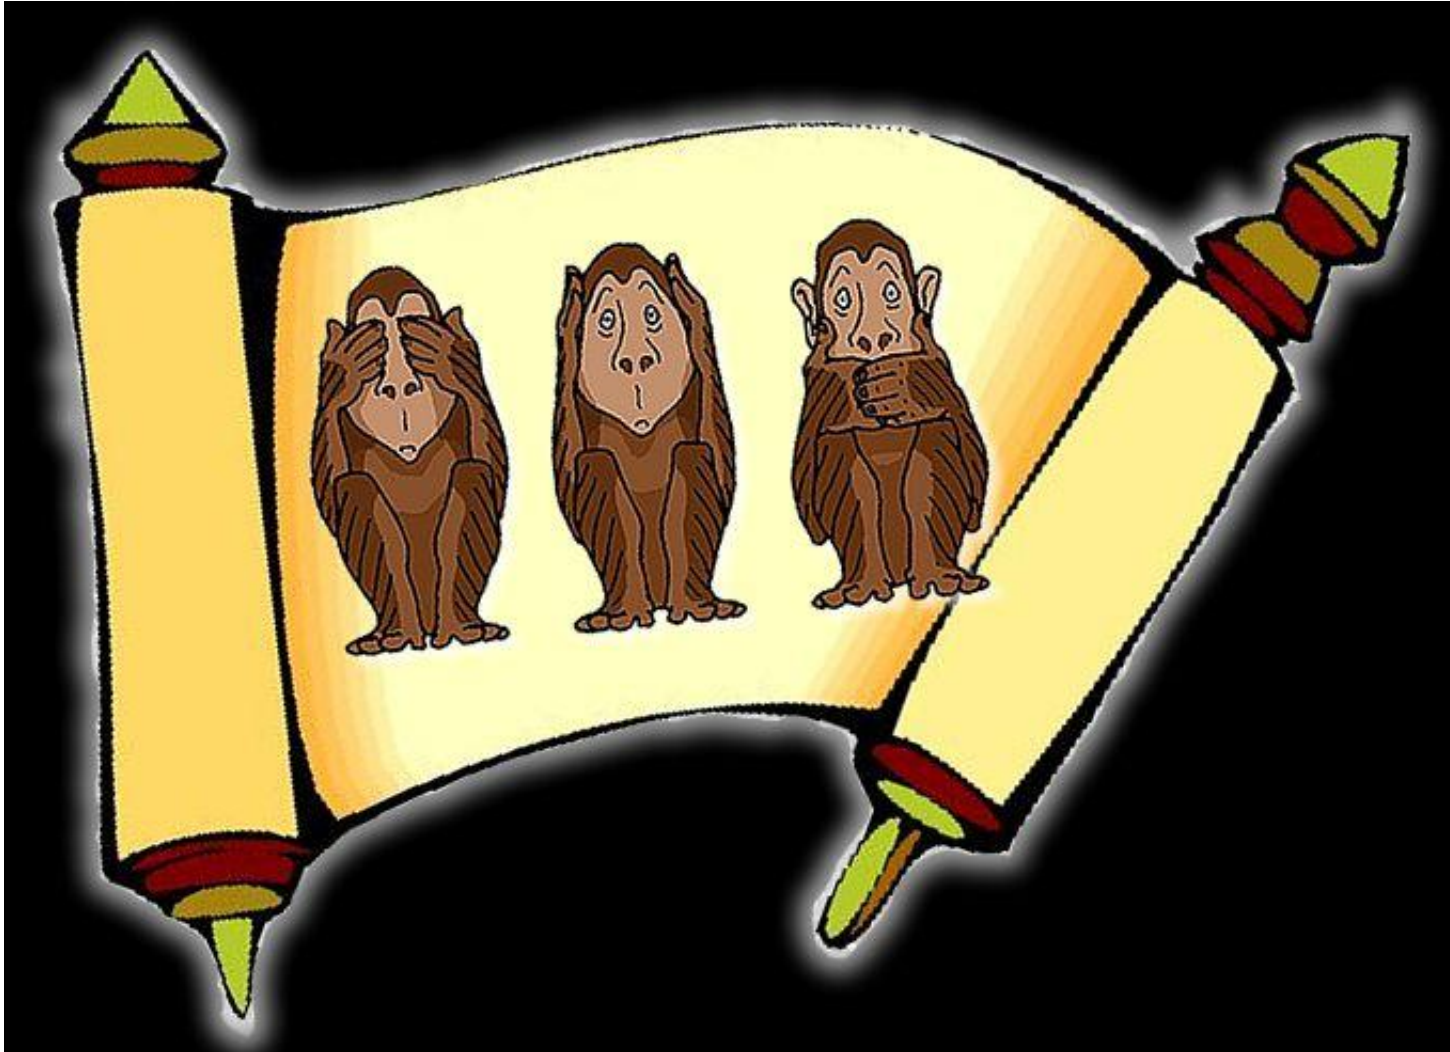

# Swearing with no consequence seems like power!

# Willingness to participate: Homo Automaton

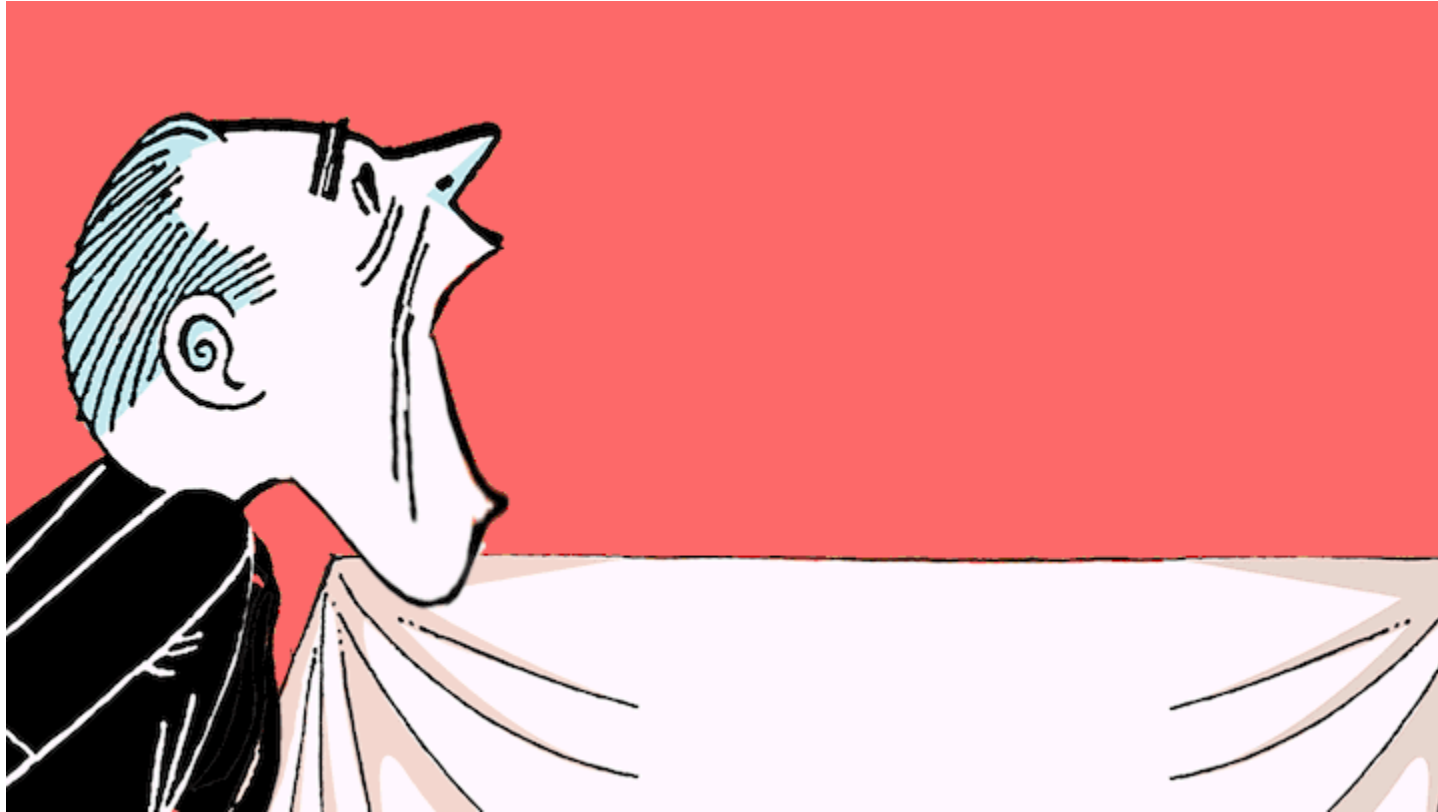

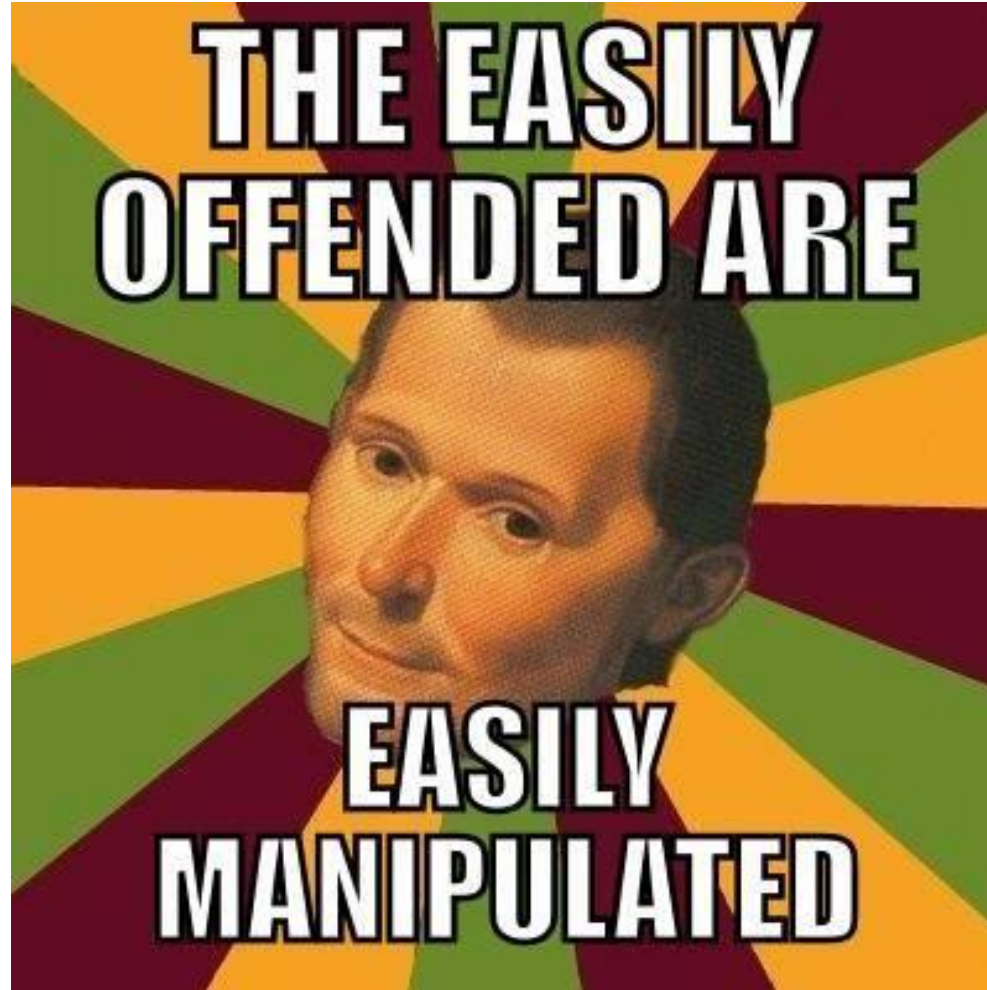

This is the technological addiction that leads to the conditioning of **Homo Automaton.** It has been made impossible to escape since other means of connection have been removed or priced out. (Fewer Landlines and pay phones make it necessary.)

# **Mistakening Consumerism for Citizenship**

*Mass Consumption has been promoted as “liberty”.  
When prices rise, people believe they are losing “freedom”.*

**People Feel Tramatized. Heal those wounds and *dull your buttons.***

**Everyone wants to be “above the bottom.”**

**Complexity allows imbalance. It is karmic for all!**

**PEOPLE DON'T HAVE A STRONG  
INTUITIVE SENSE OF HOW MUCH  
BIGGER 1 BILLION IS THAN 1 MILLION.**

**1 MILLION SECONDS IS 11 DAYS.**

**1 BILLION SECONDS IS 31.5 YEARS.**

# **Incompetence and Fanaticism will run Wild!**

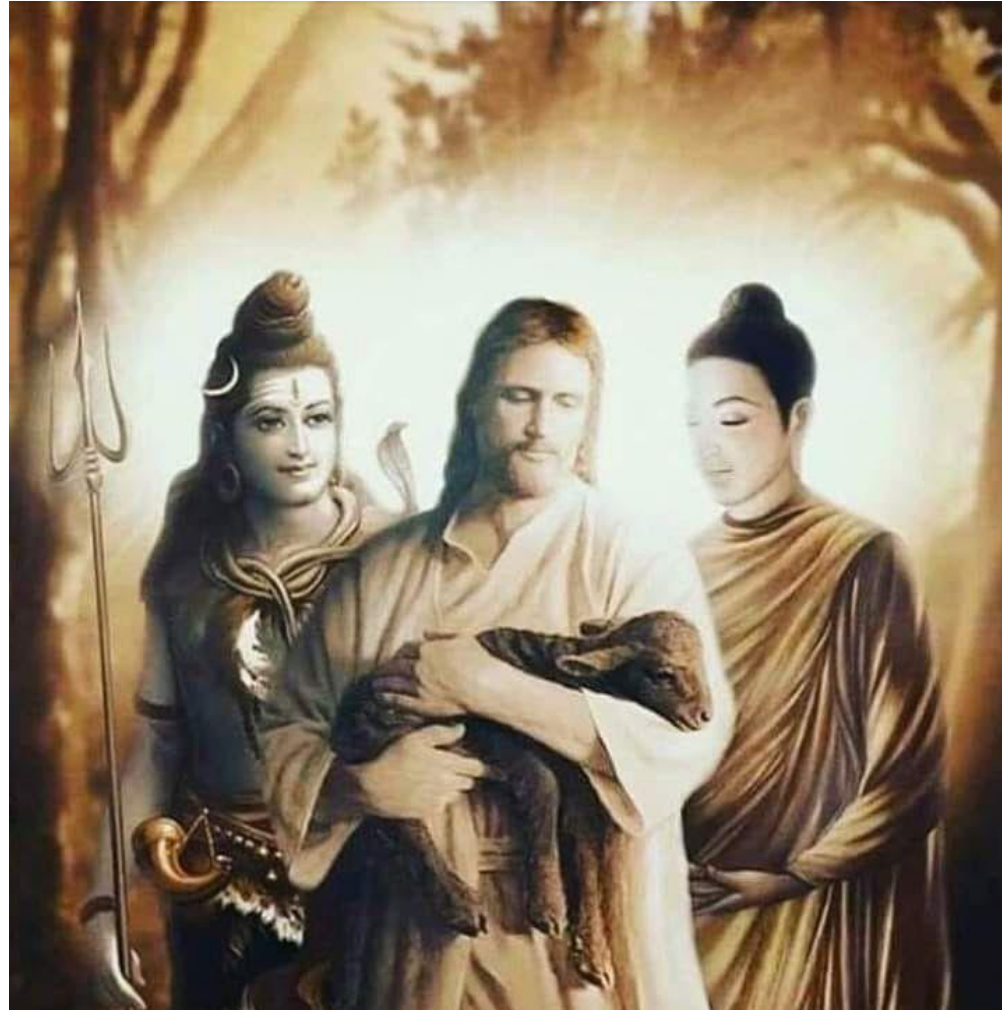

- Many of these people are stooges that make Trump look relatively intelligent by comparison. **Kakistocracy – Incompetent Rulers.**
- Ignorance and a lack of expertise will cause both confusing and gridlock within his administration and in Markets trying to cope.
- Collapse of purchasing power will result from the bad and selfish economic moves made by this administration.
- People are flocking to credit cards and lines of credit. American “working class” and “middle class” debt is now over \$1.2 trillion!
- Many bankruptcies will occur and many people will be “under water” on their loans, debts, and have to liquidate. Rock bottom liquidation that will not yield anything but poverty.

# Fallback Strategies to Dominance & Aggression

- **Patriarchy sees women as weak and needing to be managed.**
- Thinking and Intellect are distrusted. Fears the educated. Calls the Democrats “elitist”, even when they are working class as well.
- **Macho Maleness is praised, in both sexes. Guns are prized.**
- **Hierarchy and Status quo**, especially if you fair well in it, are prized and sought to be stabilized. (Preserve what you have).
- **Bigoty is binary thinking** with some Us vs Them or We and They. It can be sexual bigotry, racial bigotry, wealth bigotry, social bigotry (poor vs. rich), national or ethnic bigotry (better than less than), and even spiritual bigotry.
- **Belief in, and have a fear of, *being LESS THAN*.** (Thus, anyone asserting “rights to be seen” is threatening to climb in status.
- When people are emotionally full, they will find anyone “who gets them”. ***Trump got the average working person, regardless of race.***

**Infinite Souls are here to *advise and inspire.***

*...and NOT to:*  
*Save*  
*Forgive*  
*Redeem*  
*Rescue*  
*Absolve*  
*nor Transcend*  
**FOR YOU!**

# Dominance Motives and Soul Age

- Infant Soul – Tribal – Fight or Flight – Threat individual survival. Disguise and hide in fear
- Baby Soul – Brute force power and aggression. Defensive and will kill in fear of being killed. Wants stable place in group hierarchy – Territory and property
- Young Soul – Control through stealth. Appearances are vital like fashion. Seeks advancement in rank, power, fame, image and looks for competitive advantage.

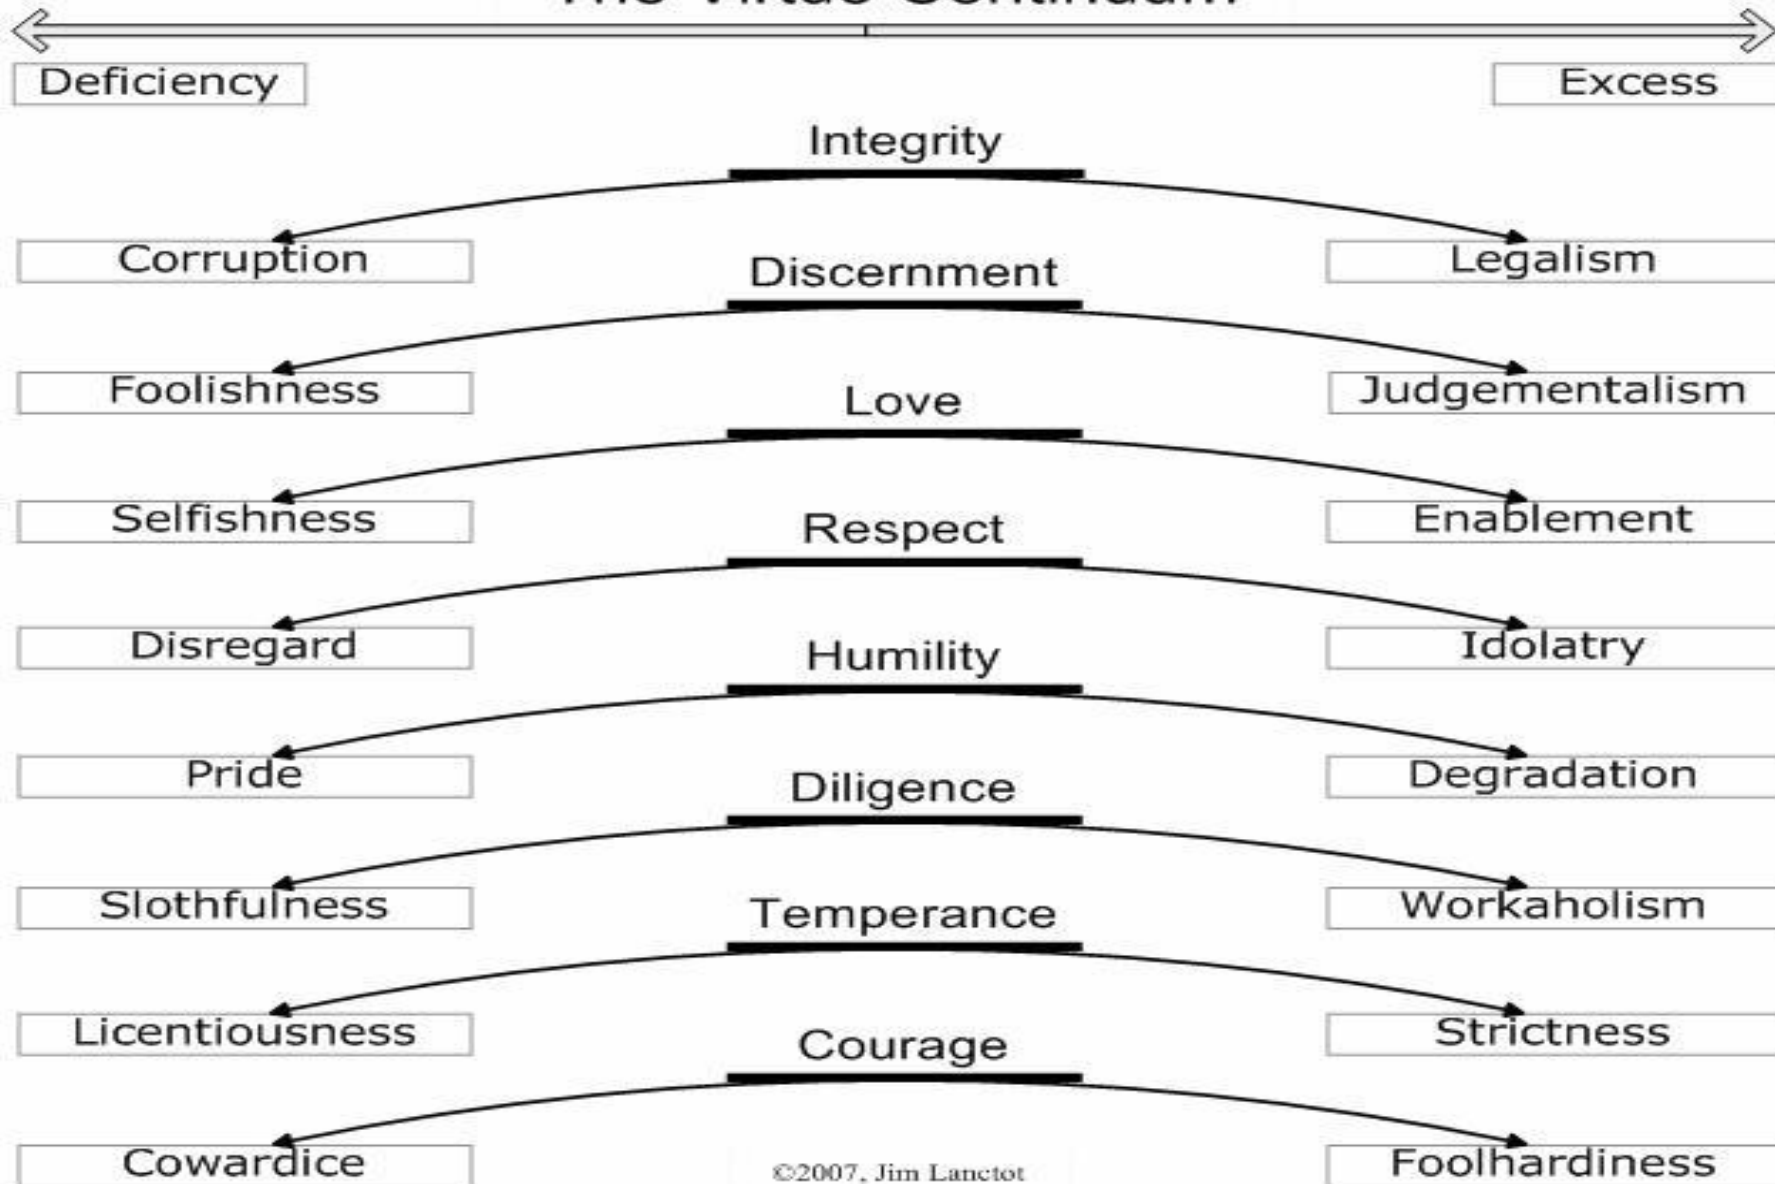

Taken together, exploration of these themes and behaviors during each Soul Age producing the emotional experiences thereof, are largely **motivated from the Collective Unconscious** i.e. Instinctive Center.

Therefore, what we share with all life forms on planet Earth originate in the **Evolutionary drives of Dominance-Aggression-Vigilance paradigm.**

## Resulting Mechanistic drives are:

- Competition: defeat of other
- Territorialism: possessions, land
- Reproductive success: sexiness.
- Vigilance: no trust, fears attack

# The Virtue Continuum

## Validation and Hope

This is hard. You've done hard things before and I believe in you.

I know there's a lot that could go wrong. What could go right?

All vibes are welcome here.

It's pretty normal to have some negativity in this situation.

It's probably pretty hard to be positive right now. I'm putting out good energy into the world for you.

Sometimes giving up is ok. What is your ideal outcome?

It's never fun to feel like that. Is there something we can do today that you'd enjoy?

It's probably really hard to see any good in this situation. We'll make sense of it

## Toxic Positivity

You'll get over it!

Just be positive!

Good vibes only!

Stop being so negative!

Think happy thoughts!

Never give up!

Just be happy!

See the good in everything.

**Authoritarians WANT police to enforce their Power.**

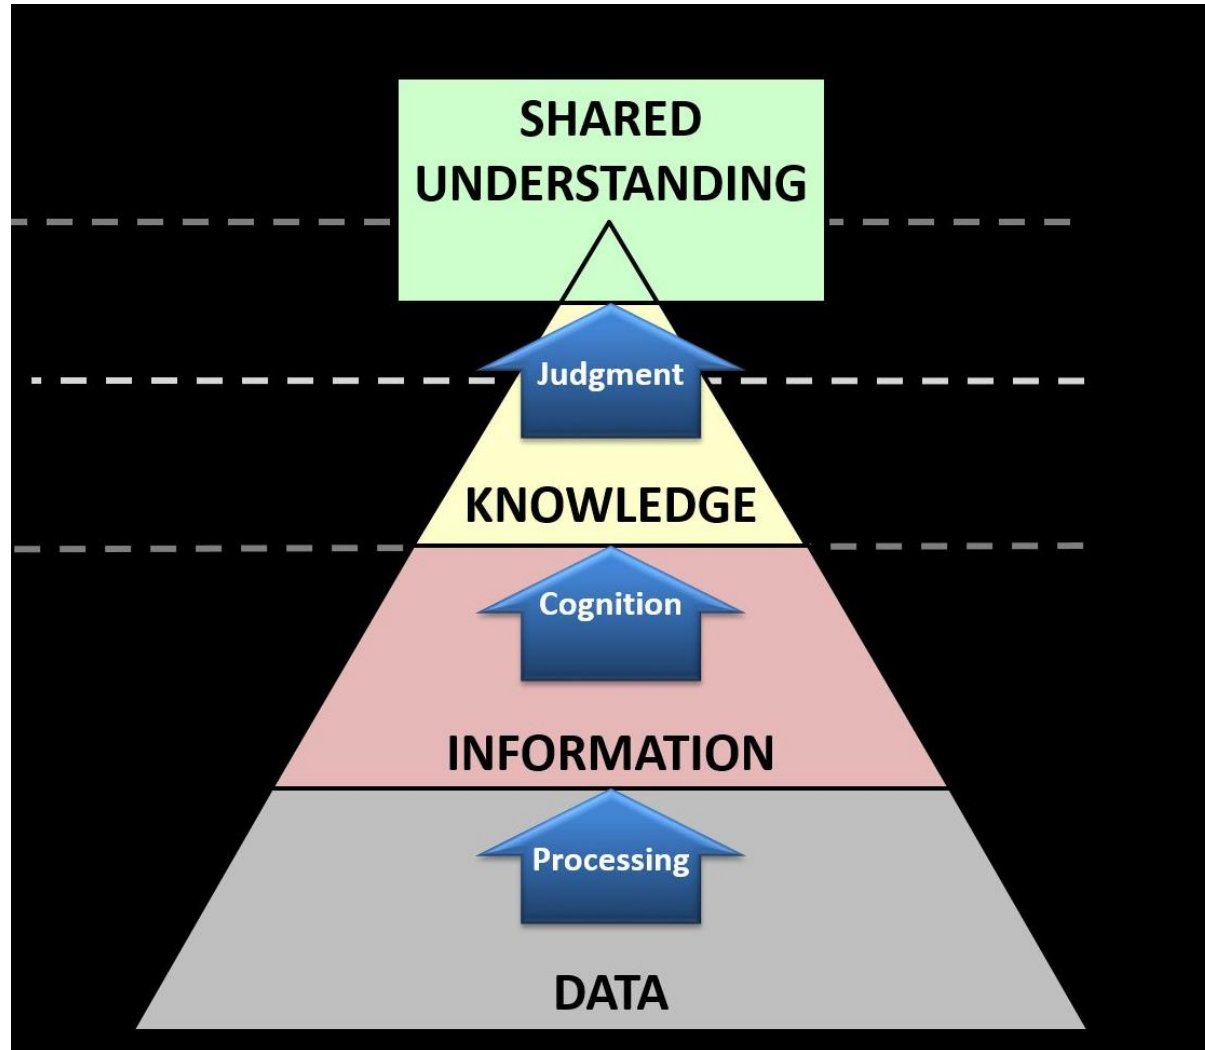

# Fascism:

**Corporations Rule Gov't. Promises Jobs, then busts!**

# Democrats will have to bridge the Complexity gap.

Ignorance is default place for many because they don't have to challenge their historic beliefs. Familiar = Safe.

## **People Cling to Beliefs/Narratives for Certainty.**

- Beliefs have emotional attachments to stave off the fear of reality that threaten people's sense of security.
- Reliance upon “old clichés” is preferable to many than facing hard truths. Some voted for the cliches and the “Strong Man” authoritarian, believing that allegiance to it will “trickle down” to them.
- For many Americans, the “American Dream” and “Free Enterprise” are bulwark slogans to avoid the harsh reality that both are myths that DO NOT work for them. But, people are feeling trapped and are looking for simple answers.

**NOT EVERY-  
THING WILL  
BE OKAY BUT  
SOME THINGS  
WILL.**
