2026 Overleaves Forecast

The background of the image is a reproduction of Michelangelo's famous fresco, 'The Creation of Adam'. It depicts two hands reaching towards each other in a tense, suspended moment. The hand on the left is extended from the left side of the frame, while the hand on the right is extended from the right side. The fingers are just inches apart, creating a sense of tension and divine spark.

Mature Soul Ethos explained simply...

law of civilization."

All Hands on Deck... Complexity in Reality

“There’s no single answer that will solve all of (y)our future problems. There’s no magic bullet. Instead, there are thousands of answers — at least...

You can be one of them if you choose to be.”

– OCTAVIA E. BUTLER, Author and Futurist

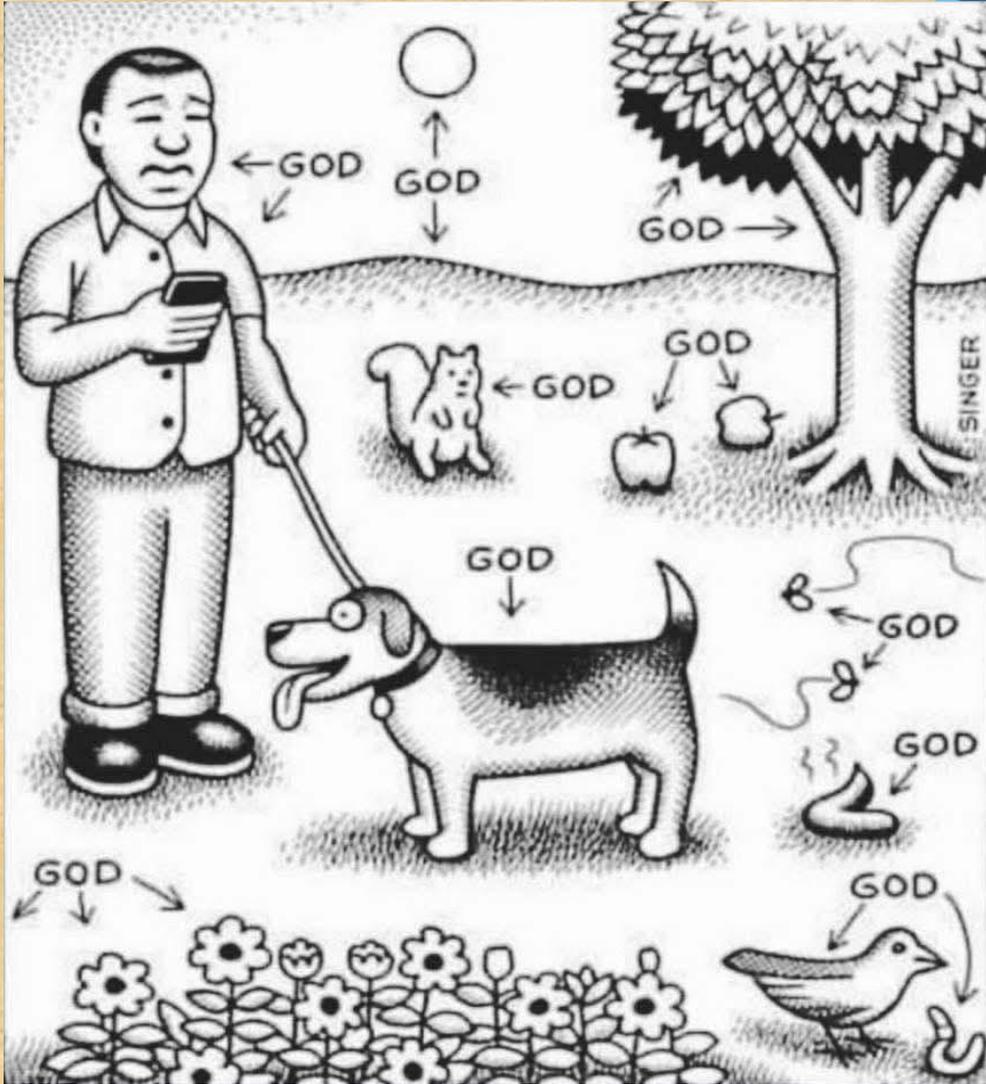

Did you in 2025?

We hope you did!

No more business as usual.

Time to adjust stance.

Just a reminder about the TAO...

Whether humans survive, strive, or thrive is Their Own CHOICE.

TAO watches to see what we do with life.
(Our own and all the Planet.)

TAO favors no one! ITS Motive is: Experience it ALL !

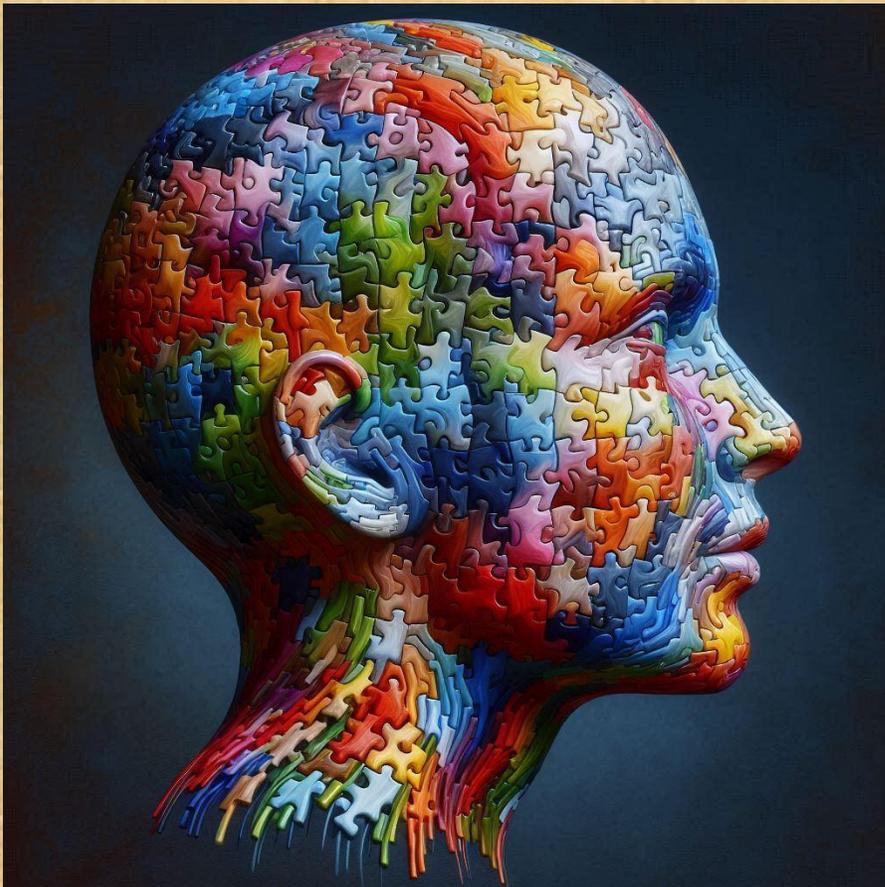

Overleaves are Archetypes! NOT Binary Stereotypes!

Complexity in Overleaves

The Michael Teaching's are a metaphysical, '**Large Language Model**' about the structural design of the Universe and Human Nature.

But the terms used also have regular, and relevant, English language definitions. Between positive and negative poles is an entire range of diverse possibilities noted in their synonyms.

Complexity and Overwhelm go together!

More to consider! A larger space in compressed time.

Hope is something you create with your directed action, not waiting for the external world to change.

2026 Mature Warrior outlook and motto...

Stop fearing anger. Use
it to defend principles.

One MUST identify
what you love and
value to fight for it.

Pursuit of Challenges is the Warrior Way...

Warrior Energy is meant to explore a mind set of challenge, competition, and competence. Money, Sex, Sports, Contests, are aspects in social structures. The Knight or Guardian.

Negative Pole Warrior is Glory (status and achievement), blind obedience, killing, submission to orders without question, rape, sabotaging competitors, physicality only. The Mercenary.

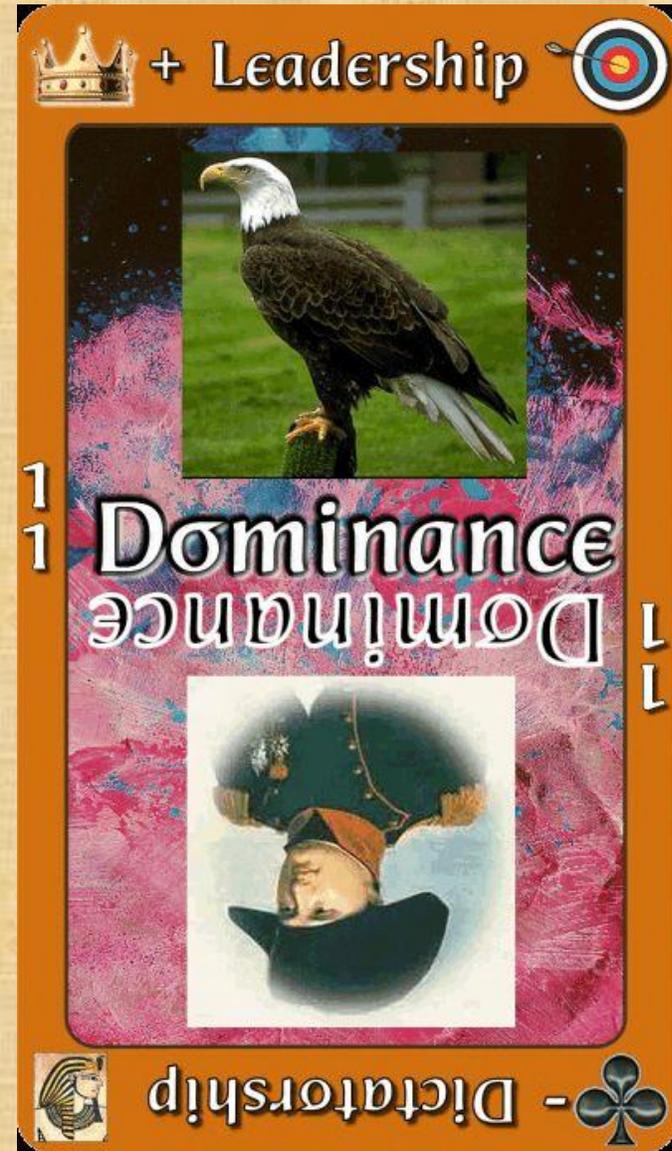

Baby Soul Warriors will cheat, vanquish, gamble on the pain of others and carry out atrocities in the name of staying on the 'good side' of authority. "Just following orders."

Goal - Dominance:

Leadership
or Dictatorship?

Challenge/Lesson:

Where do you lead,
where do you follow?

Seek Facts, Not "Truth".
Because truth is relative!

Passion Mode: Actualizing or Identifying with a “self”

Passion Mode is about Pain and Pleasure

Expressing oneself authentically can be painful + Pole.

Just as living from a preferred identity can be quiet comfortable and even rewarded socially and therefore pleasurable.

- Pole you are “identified” with some group status or category you have allegiance to, then you might very well be acting to persevere some sort of advantage.

Getting honest about these identities will at least alert you to your self-deceptions, but it might also thrust you out into exploring an open reality.

Taking Bold Risks? Or Acting as part of a Mob?

Currently, more people, even those on the Left, act more from Frustration and Intolerance. However, to be Intolerant of Intolerance itself is similar to the Jesian admonition of "Hate the Sin, Love the Sinner."

Be daring to risk standing up against it. i.e. Pos Pole.

Karmic Fuel is suppressed emotion!

Strategies humans use to avoid fears:

1. Silence
2. Hiding
3. Running to escape. Or instead, disengage!
4. And sometimes Tantrum or Attack.

Karma Creation from **Love, Purpose, and Principle** has the power to compel change forward from conscious creation! Evolution uses Karma. You cannot avoid karma! (EVER!)
